

## Class Schedule - NATCEP

The NATCEP program consists of 120 hours of lecture, lab, and Clinical divided into 8 in class days and 7 clinical days for a total of 15 days for the program. The 16th day is a small graduation ceremony (students only) and a mock state test to prepare you for your real test. This day is highly encouraged and has proven to increase pass rates.

Lecture/Skills lab days will be held at The Rapha School in Home. Clinical will be held at St. Andrew's Village.

The program follows this Schedule. The days may or may not be consecutive, they may be on a weekday or weekend.

**On clinical days you are to be at the Clinical site at 6:30 am, we do not meet at the school first.**

**You will break for lunch around 11:30 or 12 each day for a half hour. You will be responsible for bringing something for yourself, but we are located by two restaurants and a small convenience store. There is a lunch room where you have access to a fridge to use during the day as well as a Microwave and toaster.**
