**On clinical days you are to be at the Clinical site at 6:30 am, we do not meet at the school first.**

**You will break for lunch around 11:30 or 12 each day for a half hour. You will be responsible for bringing something for yourself, but we are located by two restaurants and a small convenience store. There is a lunch room where you have access to a fridge to use during the day as well as a Microwave and toaster.**
